14th September 2018

RAPIDLY PROGRESSIVE DEMENTIAS
REPORT FROM RSF REGIONE VENETO 400-2014

13.30 Registration

14.00 *Authorities* Welcome address

14.15 *B. Giometto* (Trento) Introduction

Chairs: *S. Monaco* (Verona) - *R. Quatrale* (Venezia)

14.30 *L. Zuliani* (Treviso)
Immune-mediated Rapidly Progressive Dementias

15.00 *A.C. Cagnin* (Padova) Imaging in Rapidly Progressive Dementias

15.30 *G.L. Zanusso* (Verona) RT-Quick-test in Creutzfeldt-Jakob Disease

16.00 Coffee Break

Lecture Introduction: *B. Giometto* (Trento)

16.30 *L. Massacesi* (Florence) Multiple sclerosis and multiple sclerosis mimics: the diagnostic criterion of "unless better explanation" using new MRI methods.

CHALLENGING DIAGNOSIS:
PLATFORM PRESENTATION AND DISCUSSION OF CLINICAL CASES

Chairs: *M. Spatola (Barcelona/Lausanne) F. Paladin (Venezia)*

17.00 *M. Spatola (Barcelona/Lausanne)* Introduction

17.05 *H. Ariño (Barcelona)* CASPR2 encephalitis

17.20 *S. Mariotto (Verona)* Primary B-cell lymphoma of the CNS and anti-NMDAR encephalitis: a unique constellation

17.35 *M. Gastaldi (Pavia)* Cerebral lymphoma mimicking autoimmune encephalitis

17.50 *S. Piffer(Trento)* Sleep Disorders in LGI1 Encephalitis

18.05 *V. Poretto (Trento)* Visual neglect and agnosia as a possible autoimmune disorder

18.20 *M. Zoccarato (Padova)* A challenging case of rapidly progressive dementia

18.35 *H. Ariño (Barcelona)* LGI1/IgLON5 encephalitis

18.50 *M. Spatola (Barcelona/Lausanne)* $GABA_AR$ encephalitis: a challenging diagnosis in children

19.05 *B. Giometto* (Trento) Conclusions

15th September 2018

LIMBIC ENCEPHALITIS:
50 YEARS SINCE THE FIRST DESCRIPTION

09.00 *B. Giometto* (Trento) Welcome

Chairs: *F. Graus* (Barcelona) - *B. Giometto* (Trento)

09.10 *F. Graus* (Barcelona) Paraneoplastic Limbic Encephalitis 50 years later

09.40 *A. Vincent* (Oxford) Non paraneoplastic limbic encephalitis from VGKC to Lgl1 antibodies

10.10 *J. Dalmau* (Philadelphia/Barcelona) Effects of antibodies and Limbic System

10.45 Coffee Break

11.00 *M. Spatola* (Lausanne/Barcelona) Long term risk of epilepsy and cognitive deficits in limbic encephalitis

11.30 *W. Grisold* (Vienna) Mental changes of therapy and chemobrain

12.00 *L. Massacesi* (Florence), *M. Titulaer* (Rotterdam) for the EAN Neuroimmunology Scientific Panel
EAN and Autoimmune Encephalitis. Proposal for a Consensus Conference on Treatment Guidelines. Panel Meeting

12.30 Discussion

12.50 *B. Giometto* (Trento) Closing Remarks

13.00 ECM Questionnaire

SCIENTIFIC COMMITTEE:

Annachiara Cagnin *(Padova)*
Bruno Giometto *(Trento)*
Francesc Graus *(Barcelona)*
Salvatore Monaco *(Verona)*
Marianna Spatola *(Barcelona/Lousanne)*
